HOURS & LATE PICKUPS:

Monday thru Friday 7:00 am – 6:00 pm

We understand that life happens and there can be occasional parents picking up after business hours. Please note the following times and fees associated with pickups occurring after 6:00pm.

6:00 – 6:05 = Grace Period

6:06 – 6:30 = \$1/ minute (starting at \$6)

6:31 – 6:45 = \$15 / minute

Pickups after 6:45 could result in enrollment termination

Frequent late pickups can also result in enrollment termination.

Late pickups will be documented by closing staff and the person picking up is responsible for the fees involved. Payments must be made within 48 hours, preferably in cash, and given directly to the staff member caring for your child after hours, or to management in an envelope labeled with the staff members name or the date the late pickup occurred so it can be distributed to the appropriate staff members.

If the late fee is not paid within 48 hours, there will be a \$10 fee added to the total.

Refusal to pay a late fee can also lead to enrollment termination.

We love your little ones so very much. As management, we also love our teachers and need to respect and compensate for any of the staff's personal and family time that is affected by late pickups.

OUR CURRICULUM:

Toddlers – In this class we will begin introducing circle time routines and songs. Daily art projects will also be infused into their schedule.

Preschoolers – Schedule includes circle time, weekly themes, daily writing exercises and art projects.

K-Prep – Our days are packed with learning games, small group work, sight words, math fun, science and art.

Children will be assessed three times a year (October, February and June).

Conference requests can be made through our Telegram app. We offer conferences once a year on June 15th, during the time of assessments. We offer conferences upon request throughout the entire year as well. We notify parents via Telegram and will have sign-up sheets posted at the front desk.

Curriculum is posted for the coming week on Fridays in the Group Chats for parent review.

Inclusion Policy:

Our program accepts all children including those with special needs and special health care needs. We will make reasonable accommodations for your child as our program structure allows. If your child has an instructional support specialist or therapist, we will allow them in our program and collaborate as needed. We encourage parents to let us know of any needs.

PARENT / TEACHER COMMUNICATION:

At the time of enrollment, parents will be added to a classroom chat via the app Telegram. The Telegram app will need to be downloaded on both parent's devices. We will post curriculum, pictures, videos, and any other important news and updates specific to your child's classroom. You will have direct communication with your child's teacher throughout the day, however, please keep the group chat comments generalized and not specific to your child. If you need to message the teacher privately regarding your little one, there is an option for that as well.

Don't hesitate to call the main line of the center if you have any questions throughout the day regarding your child.

The turn-around time for responses from teachers may vary. Please understand that our teachers cannot focus on the children in their care if they are also constantly on their phones. Your teacher will likely message you more in your child's first few days, just to help parents feel relaxed, but expect communication to decrease a bit once your child is settled in.

In order to provide you with as much detail as possible about your child's day, the teachers will complete daily sheets and place them in your cubby at the end of every day.

If you do not respond to the request for more diapers and wipes for your child, we can refuse care until you provide us with the proper materials necessary to provide your child with the proper care.

YOUR CHILD ALSO NEEDS ALL THE REQUIRED PAPERWORK ON FILE BEFORE WE CAN PROVIDE CARE.

POTTY TRAINING:

Potty training is something we encourage for each child and are ready to rock it out when they are. We have a potty-training policy that we give to our two-year-old parents to review and complete so that we can all work together.

DISCIPLINE POLICY:

We use a positive approach to discipline such as:

- Using positive reinforcement for appropriate behavior choices
- Redirecting the child
- Using patience, love and understanding
- Setting clearly defined limits
- Talking about acceptable ways of handling situations as they arise
- Sticker charts and Prize Bins

On occasion, children get truly frustrated or upset and in turn have difficulty following classroom rules. In this case, we simply ask them to go to the “Calm Down Clouds”. There is a safe, fluffy area in every classroom, that we refer to as our clouds. There are books, activity boards and manipulatives there that

the children can choose to work with, rather than the group. Teachers will meet a child in the clouds and help them work through what is bothering them in a one-on-one setting. Please see our Discipline Policy Form in our enrollment packet for more info.

If multiple incident reports or behavior charts come home for your child, a team meeting will be required between the staff and parents. Should the behaviors in question continue, Drool of Rock reserves the right to remove the child from our program.

Biting can be a frustrating but a common struggle primarily in toddlers. If your child goes through this phase, we will do everything in our power to redirect them and correct the behavior. On occasion, a child may require a “shadow” for certain hours of the day to intercept biting opportunities. This could result in a slight raise in your tuition to provide these one-on-one services. This will be discussed in advance with your family before proceeding. If biting cannot be eliminated, we may have to terminate care for your child.

SICK POLICY:

Please take a moment to review our sick policy.

If your child becomes ill in our care, we will call the people on the Emergency Card in the order in which they are listed. Your child will be separated from the group, snuggled and loved until pick up.

We require that someone comes within the hour.

Sent home sick forms will be signed upon pickup acknowledging the return policy based on symptoms.

DROP OFF:

We understand that separation between parent and child can create some anxieties, and sometimes tears. Please know that your child will be comforted by his or her teachers. In order for our teachers to provide support to a child struggling with drop off, we need for parents to exit quickly. The longer the goodbye, the longer the cry.

TERMINATION POLICY:

Drool of Rock reserves the right to terminate care for a number of reasons. Please read the Termination Policy, print, sign by both parents and submit for your child’s completed file.

SCHOOL CLOSINGS AND DELAYS:

We do our very best to stay open as much as possible for our families.

Tuition is due regardless of attendance and closings.

We make our own inclement weather call via text.

FAILURE TO PICK UP WITHIN THE ALLOTTED HOUR FOR ANY TYPE OF CLOSURE/EARLY DISMISSAL WILL RESULT IN A TERMINATION WARNING AS WELL AS A LATE FEE EXPLAINED IN THE LATE FEE POLICY.

Upon enrollment we will sign you up for the proper Telegram Classroom Chats. If decide to close, open late or have an early dismissal, families will be alerted via Telegram.

We are closed for the following holidays:

- New Year's Day
- Spring Break (Good Friday through the Monday following Easter Sunday)
