Scholarship Attendance Agreement

Dear scholarship parent(s),

It is your responsibility to validate your child/children's attendance every other week. Failure to validate the attendance causes an unnecessary additional verification process that the center must complete. It also can cause your child's scholarship to be suspended.

Therefore, the following failure to validate attendance policy is now in effect:

- **FIRST TIME**-Child/children will be excluded from Drool of Rock for one day
- **SECOND TIME**-Child/children will be excluded from drool of rock for two days
- **THIRD TIME**-Child/children will be Immediately terminated from Drool of Rock and CCS will be notified that your child no longer is in care at this center.

Upon your child/children's return after exclusion, you must present proof that you have validated attendance for the missing two-week period. Failure to show proof will result in termination of care.

Child's name:
